2021 NISSAN SENTRA SV Vehicle Description

The used 2021 Nissan Sentra SV sedan brings practical efficiency and everyday comfort together in a sharp gray exterior with a charcoal interior. Its 2.0-liter naturally aspirated four-cylinder delivers 149 horsepower and 146 lb-ft of torque through a CVT automatic transmission to the front wheels. Rated at 29 mpg city and 39 mpg highway, this five-seat Sentra is ready for commutes, errands, and longer drives, with 87,579 miles.

Convenience and confidence come standard with adaptive cruise control, Apple CarPlay, Bluetooth, and satellite radio readiness. A backup camera, blind spot monitor, collision warning, and cross traffic alert help support awareness on the road, while keyless entry and push-button start make getting underway simple. This well-equipped SV offers the features and fuel economy to make daily driving easier.

2021 NISSAN SENTRA Safety and Security Features

Rear automatic emergency braking can help respond to obstacles behind the vehicle, while rear parking sensors provide added assistance when maneuvering. A rear seat reminder helps prompt a final check before leaving, and dual front knee airbags add occupant protection. Four-wheel ABS and cornering brake control support controlled stopping, while anti-lockout and auto-locking power door locks add security.

2021 NISSAN SENTRA Entertainment and Technology Features

Voice-operated hands-free phone integration helps keep calls convenient, and the 8-inch touchscreen pairs voice-operated radio controls with real-time traffic navigation data. Voice-operated electronic messaging assistance includes a read function, and the six-speaker audio system offers USB auxiliary audio input for compatible devices.
